

NEW CPLTC BROCHURES NOW AVAILABLE

The Partnership's new Asset and Inflation Protection brochures are now available. Those of you who ordered copies of our consumer video *What You Need to Know NOW About Long-Term Care* will (if you haven't already) receive a handful of each brochure.

While not in the running with War & Peace, they are chock full of useful information. And that information is (in all modesty) well presented in ordinary and understandable language. Each explains the basic concepts, but most importantly, both brochures end with concise "tales" of how each benefit works in a "real-life" situation.

Please mail your request and The Partnership will be happy to send you up to 50 copies of each brochure at no charge. Larger quantities are available at a cost of \$.35 each.*

Please no phone orders. Send your request to *Brochures, The California Partnership for Long-Term Care (or just CPLTC), P.O. Box 942732, Sacramento, CA 94234-7320*. Orders for more than 50 copies must include a check for the correct amount made out to Department of Health Services.
